PRESENTS

DEB ENGLE

In six simple words, this prayer not only lifts your burdens, it heals the fears that created them, giving you what you truly seek: greater peace of mind.

Our world is addicted to fear. Just watch the news. In five minutes, you'll feel like you're in danger of being murdered, becoming a victim of nuclear attack, losing your savings to identity theft and—if you watch the commercials during the news—dying of side effects from the latest heart medicine. Deb will explain how a remarkable prayer can heal our fears and open us up to abundance, joy and peace of mind.

*Deb Engle has worked in communications her entire career as a writer, author, speaker, publisher and workshop presenter. She is president of GoldenTree Communications and teaches A Course in Miracles classes. She is also co-founder of Tending Your Inner Garden®, an international program of creativity and personal growth for women that has been featured in **TIME**. Deb is the author of **Grace from the Garden: Changing the World One Garden at a Time**. Her next book, **The Only Little Prayer You Need**, will be published fall of 2014.*
